REQUEST FOR BOARD ACTION

Date Referred to the Board: October 13, 2021
~~August 11, 2021~~

Originating Department: Administration

Subject Matter: Package Liquor Regulations

Summary and Background: During the Committee of the Whole Vision sessions, Chief Mohn advised the Board of issues arising from late-night sales of packaged liquor at the two gas stations on Sheridan Road. The suggestion was made that we have these issues in large part because we are the only town nearby which allows package sales after midnight and that we also allow sales of "airplane" bottles of distilled spirits. Based on Board comments, it appeared that this was a matter that merited discussion and consideration of modifications.

Financial Impact: Unclear. While the Village receives sales taxes from all sales under discussion, it also expends funds on additional policing required due to this sales practice. Staff concludes that it is likely to be revenue neutral.

Community/Neighborhood Impact: Staff believes this will be a positive impact to the community since the current practice tends to draw undesirable people to the Village late at night. Staff also confirmed that sales after midnight are prohibited in Zion, Wadsworth, Beach Park, Antioch and Pleasant Prairie, indicating that our current ordinance may be too lax.

Documents Attached: Draft Ordinance and a memo to the affected licensees.

Staff Recommendation: MOTION to accept the first reading on October 19th. If moved along to a second reading, and amendments are desired, they can be made before that second reading on November 16th.

ORDINANCE 2021 – O - _____

**AN ORDINANCE AMENDING §110.31
OF THE MUNICIPAL CODE OF WINTHROP HARBOR
MODIFYING THE HOURS AND SIZE REGULATIONS
FOR PACKAGE LIQUOR SALES**

WHEREAS, the Police Chief has advised the Village Board that there has been what he considers a significant number of incidents arising at local gasoline stations that hold class B package liquor sales licenses, and

WHEREAS, the Village Board is advised by the Clerk that there are a total of four class B liquor licenses currently in effect, two of which are held by gasoline stations while the two remaining are held by other retail establishments, and

WHEREAS, the Village Board finds that incidents described by the Police Chief arise late at night, principally between the hours of midnight and 2:00 am, at a period of time when the nearby communities of Zion, Wadsworth, Beach Park, Pleasant Prairie and Antioch prohibit packaged liquor sales, and

WHEREAS, the Village Board further finds that there is a demonstrated and enhanced risk of a serious incident springing from, or relating to, the sales of packaged liquor between the hours of midnight and 2:00 am, which are likely to include actual or attempted robberies and gang activity, and that all such activity is inconsistent with the morals of this community, and

WHEREAS, the Village Board also finds that despite the economic benefit that the holders of class B licenses obtain from the sales of packaged liquor during the hours of midnight to 2:00 am daily, such benefit does not outweigh the demands for increased police activity during those hours, let alone the risks to the people working in, and patronizing these retail establishments, and

WHEREAS, the Village Board further finds that the sales of spirits in so-called “airplane” sized bottles of less than 8 ounces each adds significantly to the incidents described by the Police Chief, as the same are essentially sold for immediate consumption as single “shots” of strong liquor, and that there is little, if any, countervailing argument for these to be available to the public within this Village, and

WHEREAS, the Village Board deems it appropriate to minimize the impact on retailers who have a stock of such goods, the banning of sales of airplane sized bottles shall not take effect until the end of 2021,

NOW THEREFORE, BE IT ORDAINED by the Village of Winthrop Harbor, Lake County, Illinois, as follows:

SECTION ONE: The chart of hours of operation set forth in Section 110.31(A) of the Winthrop Harbor Municipal Code is hereby amended and the line for Class B licenses shall hereafter read as follows:

Class B	Everyday from April 1 through October 31	4:00 am to 12:00 midnight
	Everyday from November 1 through March 31	6:00 am to 12:00 midnight

SECTION TWO: The Winthrop Harbor Municipal Code is hereby amended by the addition of Section 110.13(B)(9) which shall hereafter read as follows:

(9) SUPPLEMENTAL PACKAGE SALE REGULATIONS. Establishments holding Class A, B, or C licenses shall be subject to the following regulation:
Commencing at 12:01 am on January 1, 2022, these licenses shall no longer permit the sale of spirits in any container of less than eight (8) fluid ounces.

SECTION THREE: This Ordinance shall be in full force and effect from and after its passage, approval and publication as required by law.

PASSED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF WINTHROP HARBOR,
ILLINOIS, ON THIS ____ DAY OF _____, 2021.
